Section Notes

- > Each match will be played with 2 ends
- > Each player plays each other one time with the winning player being the player with the most points
- > Points are awarded as follows: - 2 points for a win, 1 point for a draw, 0 points for a loss
- > In the event of points being level, the head to head result between the two players will decide the winner
- > In the event of the two tied players having drawn in their head to head match the winning player will then be decided by the player who scored the most points
- > Should this again result in a tie, the winning player will be the player conceding the least amount of points
- > Winners of group C&D will play in the semi final
- > Winners of semi final will go on to the final
