PRIZE GIVING

We do understand the transport problems some Groups have, but would urge all Groups to try to make arrangements for their riders to be late back on this one day. It is very disappointing for the riders and the organisers if prize winners are not there in person to receive their rosettes and trophies.

Please advise all your competitors and supporters that the RDA Regional stall will be at Sandyflat selling cards, gifts and RDA branded goods. The Sandyflat Café will also be open during the competition.
